UNILOCK REDUCED SMOKE INSERT

UTILIZING ZENTRO TECHNOLOGY

There's nothing like relaxing around a fire pit to bring family and friends closer together. With ordinary fire pits, smoke always blows in someone's face - usually yours. With Unilock Reduced Smoke Inserts stinging eyes are a thing of the past. Zentro's patent-pending technology re-burns smoke before it gets anywhere near your eyes. Say hello to good times and good-bye to smoke.

Unilock® provides a Transferable Lifetime Guarantee on the structural integrity of its paving stones, slabs, retaining wall units and natural stone for residential use. Any materials installed and maintained to our guidelines, and subject to normal wear, that prove defective will be replaced without cost. Color matching cannot be guaranteed, and replacement labor is not included. Registration is required and must be complete within 60 days of your dated proof of purchase. All measurements are nominal.
