## PREMIUM QUALITY

# NATURAL STONE

The long-term performance and slip-resistance of Premium Quality Natural Stone from Unilock make it an excellent choice for many applications. It features a low-profile thickness which is particularly well-suited to a concrete or wooden deck overlay where height or weight of the material might be constrained.

Premium Quality Natural Stone from Unilock should always be installed by a qualified contractor for best results. Refer to the Unilock Natural Stone Installation Guide for complete installation specifications.
