

Stonehenge®

Pattern A

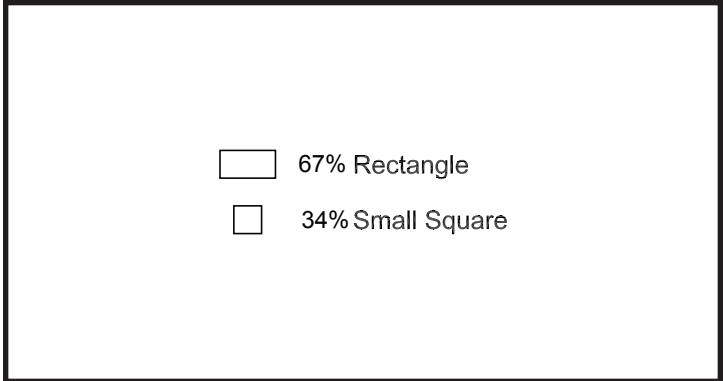

## Architectural Products

www.unilock.com 1-800-UNILOCK

### Notes:

AutoCAD® hatch pattern files can be downloaded from [www.unilock.com](http://www.unilock.com) for use in architectural drawings.

Some patterns may not necessarily reflect the percentages of stone sizes within a particular bundle configuration. In some cases you may have extras in one or more of the sizes. This must be accounted for in your planning and design.
